

CRUSADER SPOTLIGHT

FIRST RECONCILIATION

Clean hearts on Valentine's Day!

The second grade students experienced their First Sacrament of Reconciliation on St. Valentine's Day. They had been preparing for this sacrament by learning about God's Commandments, about sin, and about God's love and forgiveness. They learned about Jesus as the Good Shepherd who gave His life for them and cares for each one of them. To add to the joy of the day of their Reconciliation, they enjoyed the cards they received from students of each class in the school. They ended the school day with a party celebrating the love they had received from God and sharing that love with the valentines they gave.
